Clinton leads GOP field, but by smaller margins

Raleigh, N.C. – PPP's newest national Presidential poll finds Hillary Clinton leading the field of potential Republican candidates by anywhere from 3-9 points. Her advantage is down from being ahead by 7-10 points against the various potential GOP contenders on our February poll.

Even with her advantage over the Republican field on the decline, Clinton is still clearly a stronger candidate than anyone else the Democrats might put forward at this point. Clinton leads Scott Walker, who currently leads in our national GOP polling, 46/42. By comparison Joe Biden (46/40) and Elizabeth Warren (43/39) would both trail Walker in hypothetical match ups.

In addition to Walker, 2 other GOP hopefuls come within 4 points of Clinton. Marco Rubio trails her just 46/43, and Rand Paul's deficit is 46/42. Paul's numbers are interesting. He actually does better than anyone else on his side with independents, leading Clinton by 14 points at 47/33. But the 77% of the Republican vote he gets against Clinton is the lowest of any candidate other than Chris Christie.

"Rand Paul's faring well with independents as he launches his Presidential bid today," said Dean Debnam, President of Public Policy Polling. "But there are also still a lot of Republicans who have deep enough concerns about him that they're not even sure they prefer him to Hillary Clinton."

Clinton leads Ben Carson 47/42. Ted Cruz caught fire with conservatives in his party after his candidacy announcement two weeks ago and moved into the upper echelon of Republican candidates within the primary electorate, but there are still a lot of more moderate voters in his party who have deep concerns about him. The 15% of Republicans he loses to Clinton is the most of any of the party's contenders, and it puts him down 49/43. Also down by 6 points is Jeb Bush at 46/40.

When it comes to the Democratic primary, Clinton's position is unchanged from February- she was at 54% then and she's at 54% now.

PPP surveyed 989 registered voters, including 449 Democratic primary voters, from March 26th to 31st. The margin of error for the overall survey is +/- 3.1% and for the Democrats it's +/-4.6%. 80% of interviews for the poll were conducted over the phone with 20% interviewed over the internet to reach respondents who don't have landline telephones.

National Survey Results

Q1 Do you approve or disapprove of President Barack Obama's job performance?

Approve 42%
Disapprove 53%
Not sure 5%
